*"August 2020 will be my fifth year operating these magnificent **Teague Tours Great Australian Bight Whale Watching** tours. The interaction and observation of the Southern Right Whales from aboard a luxurious 50ft vessel, the '**Asherah**', based at Fowlers Bay, South Australia and from the cliff tops at the Head of Bight is something to behold. My association with all folk involved with these tours has developed into a true association and friendship." Regards **Jeff Teague***

Maximum number of passengers for each specialised tour is 12.

Itinerary:-

Day 1. Depart Adelaide Airport at 1:45pm with **Qantas** and arrive in Port Lincoln to be welcomed by myself at the airport. Our destination later this afternoon is Wudinna and along the way we will soak up some wonderful Eyre Peninsula (EP) countryside, from Tumby Bay on the East Coast to the heart of cropping country in the middle of EP. Our first night's accommodation is at the **Wudinna Hotel Motel**, staying in the wonderful chalets and executive rooms, as well as a **"Welcome to Teague Tours"** dinner.

Day 2. A quality continental breakfast starts our day, followed by our road-trip to Ceduna, Penong and Cactus Beach on our journey to the wonderful, pristine, rustic accommodation at **"Coorabie Farm"**, Fowlers Bay. Along the way we will get to see quite a bit of coastline others overlook while travelling in/around this district. Our hosts for the next two nights at **"Coorabie Farm"**, Debbie & Pogy Klock, will entertain us, as only they can, around the campfire (one of the best I've been associated with) pre and post an outback roast dinner to die for.

Day 3. After our hearty country breakfast we set off out west to see the pods of whales from our cliff-top position at the Head of Bight. The numbers over the past few years have been outstanding and the 2020 season looms as a big birthing year. The Southern Right Whales have returned in big numbers having been almost decimated many years ago. We return to home-base, **"Coorabie Farm"**, for another delightful meal and night of country hospitality while absorbing today's experiences.

Day 4. We bid farewell to **"Coorabie Farm"** and Debbie & Pogy this morning as we venture to Fowlers Bay to board the magnificent 50ft vessel, the **"Asherah"**, and get to absorb the passion offered us by the owners/operators of **EP Cruises**, Rod & Simone Keogh. The passion & knowledge they have of what nature has to offer in these waters is simply unquestionable...a cruise to remember!!! Lunch will be at the **Penong Hotel** on our way to this evening's destination, **Ceduna Foreshore Hotel Motel** to stay in their first class waterfront executive rooms. If we don't happen to incorporate the **Penong Woolshed** and the **Penong Windmill Museum** on Day 2, we will today!!! *Dinner at passengers' expense this evening, as you may wish to diet after the previous days of over-indulgence!!!

Day 5. We have time on our side today to sightsee along the coast line of the West Coast of Eyre Peninsula. Here are just a few of the coastal towns we will get to see (Smoky Bay, Streaky Bay, Elliston, Coffin Bay and Port Lincoln) as we venture to the airport in time for the 6:10pm **Qantas** return flight to Adelaide.

Cost is \$1,950 per person (GST Inclusive) based on twin share accommodation.

*Please note that the Single Supplement is \$220

Pricing includes All Transport (Adelaide Airport return), Accommodation, Breakfast x 4, Lunch x 4 and Dinner x 3, all entrance fees + whale watching tour.
