Itinerary:-

- Day 1: Depart from the Adelaide CBD at 9:00am and travel to our overnight stay, being the “Westland Hotel Motel”, Whyalla. We’ll be visiting several towns on our travels and absorbing as much sightseeing as possible along our journey. (L,D)
- Day 2: After a morning of viewing cuttlefish (pending that their activities of Winter remain) on a glass bottom boat, we’ll continue our travels to the waterfront town of Ceduna. Quality accommodation awaits us at the “Ceduna Foreshore Hotel”, as does a meal in their bistro. Just a warning, sunsets here can be seriously awesome!!! (B,L,D) \*\*pending they’re still in good numbers but we have to leave that to Mother Nature!!!
- Day 3: Today we get in amongst some of the best water to view the mighty Southern Right Whales at their level, aboard the “Asherah” skippered by Rod Keogh, who has to be the most enthusiastic and passionate Whale Bloke in the World!!! I’ve brought over 400 guests to this region over the past 8 years and they LOVE Rod and his crew, true

lovers of ALL sea life!!! Tonight, we bunk down at the “Nullarbor Roadhouse”, an iconic Australian destination. (B,L,D)

- Day 4: Having viewed these monsters of the sea from the “Asherah” yesterday, we now visit the Head of Bight and view these animals from the heights of the Bunda Cliffs and the magnificent boardwalks available to us. It’s an incredible experience. After lunch we head to the wonderful seaside town of Streaky Bay and stay at the “Streaky Bay Motel & Villas”. (B,L,D)
- Day 5: Departing “Streaky” we will mosey quietly, absorbing as much countryside as possible, on our way to Port Lincoln for our overnight stay at the “Port Lincoln Hotel”. A top-notch dinner awaits us and the accommodation is superb. (B,L,D)
- Day 6: We will sightsee until your flight leaves from Port Lincoln to return you to Adelaide. (B) \*should you wish to extend your stay, you can do so, just let me know when booking.

I’m excited with what is on offer with this tour and as mentioned earlier, I’ve been lucky enough to bring over 400 guests to this region over the previous 8 years operating Teague Tours, to revel in what is on offer.

Only 14 places are available, so please feel free to make contact with me to discuss further and book a spot.
