Post lunch we'll pop into the beautiful town of Burra before proceeding to this evening's destination, Peterborough and the "Roundhouse Motel". After an early pub dinner we'll head onto the awesome "Steamtown Sound and Light Show" ...it's a must visitation. (L,D)

Day 2: Today has us heading to Leigh Creek as our destination, however, our meandering route in getting there will make for a wonderful day of sightseeing and landscapes. Peterborough, Orroroo, Hawker, Wilpena Pound, Bunyeroo & Brachina Gorges then north to the "Leigh Creek Resort". (B,L,D)

Day 3: While in/around Leigh Creek we'll visit Aroona Dam then onto Copley before venturing east and in amongst some amazing country on our way to Arkaroola. Our travels should have us get to see the yards where Dollar Mick taught RM Williams the basic forms of leatherwork. After settling into the comfortable rooms on offer we are free to soak up the surrounds in/around the village. This evening, after dinner, it is planned to have an astronomical adventure in the Observatory. (B,L,D)

Day 4: Being here at Arkaroola will be a truly wonderful experience and the highlight today is the arranged "Ridgetop Half Day Tour" incorporating what could possibly be

some of the most amazing sights on offer in Australia. Some breathtaking moments are sure to be part and parcel of this “bucket list” experience. (B,L,D)

Day 5: Departing Arkaroola and bidding farewell to those who have entertained us over the past two days will be followed by a return journey to Hawker for a lunch stop as well as visiting the “Jeff Morgan Gallery”...Jeff’s work is mind blowing!!! Onto the “Oasis Apartments” for tonight’s overnight stay. A local pub meal is included. (B,L,D)
